

Well Done!

We're very proud of the Wise Owls children who led exercise classes/trim trails for adults at Burscough Sports Centre and the other children back in school. They planned the routines, led them with confidence and even wrote and recorded the background electronic music. Well done to them!

Well done to Imogen, Lucy and Poppy in year 3 who were invited to an advanced writers' class with author, David Webb. Their Dragon Care stories were very descriptive and exciting.

And finally, well done to Luca Carracoi, Bradley, Lewis, Jessica B, Keira and Casey who represented our school at Lathom High School's Aspiration Day. Their behavior and enthusiasm stood out and was praised. They found out about all sorts of careers. The Mini Medics experience showed them fabulous tools of the trade—even a scanner that found the veins in their hands.

We've come to the end of our Aspirations weeks in school. We're very grateful to all parents and friends of school who gave up their time to enthuse and inspire our children.

Have a happy half term.

Mrs. Albion

Carving Clay

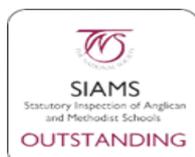

Today we had Bernard and Frank in school who did their apprenticeships together in woodwork. Bernard went on to teach woodwork and Frank worked as a joiner. Both are now retired however carve wood as their hobby.

They came into school to demonstrate to our children their beautiful pieces of carved woodwork and also had our children practise carving using clay.

Mini Wheelers

Sadly, our Mini Wheelers sessions have come to an end. Our children have had a wonderful time learning skills which are needed to ride a bike.

We will be having a **Red Nose Day on Friday 15th March**. Children can wear something red on this day and a red nose for a donation of £1.00.

We will be holding a cake sale too! Any donations of cakes are appreciated.

Thank you.
