Emergency Incident Matrix

This is the emergency preparedness and response plan for : Westhead Lathom St James' C.E. Primary School, School Lane, Westhead, Ormskirk, L40 6HL

In most instances an emergency will not involve a major or critical incident and this matrix will provide sufficient detail to resolve the issue.

However, depending on the scale or the nature of the emergency it may be necessary to implement the Major Incident Emergency Plan which is appended to this document.

The decision to activate the Major Incident Emergency Plan should be made by the Headteacher. If the Headteacher is not available then the decision should be taken by the appropriate senior member of staff or the Chair of Governors.

The person making the decision should do so by following the following criteria. The judgement must be made on the basis of the nature and scale of the incident as it is presented to them. If in doubt the Major Incident Emergency Plan should be activated. It can always be 'scaled down' if necessary.

The person responsible for co-ordinating responses to emergencies within these premises is : Helen Clark (Headteacher)
