

Dear Families,

Welcome back! I hope everyone had a peaceful Easter break. The children have come back raring to go and the weather this week has helped tremendously. The sunshine has given everyone a burst of energy and we have all enjoyed our breaks, lunchtimes and PE lessons outside!

This week our Busy Bees enjoyed their art lesson with Mrs Wood during which they looked at the work of Frida Khalo and have been working on their own self-portraits. It was a hive of activity in the classroom with the children learning how to use, then practising with water colours. Their sketch books and individual portraits were really taking shape. Well done Busy Bees.

On Tuesday afternoon, Ladybirds, Butterflies, Eager Beavers and Wise Owls thoroughly enjoyed their sports' partnership PE lessons on tennis. The weather was perfect for the afternoon and the children were fantastic showing off their skills.

A huge thanks to our Governing Body who gave up their time last night to attend training on what an effective Governing Board looks like and how we can prepare for Ofsted inspection. Our Governors are all volunteers so we really appreciate them giving up their time to help with school improvement.

Also a big warm welcome to Miss Lowthian and Miss Bekithemba who are both first year teaching students from Edge Hill University. They will be carrying out their placements over this half term in Eager Beavers and Wise Owls.

Wishing you all a lovely weekend.
