

Dear Families,

This week our Ladybirds, Butterflies and Busy Bees children all started the week with a visit to church on Monday. During the day the Godly Play bus had returned for a visit and they led some interactive sessions for the children. The children and staff really enjoyed listening to the stories then taking part in some practical follow up activities. As ever the children demonstrated their fabulous behaviour and manners. Thank you to Mrs Smyth for organising these fantastic sessions to enhance our RE lessons and the PTA who paid for the sessions.

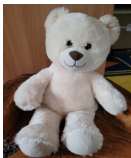

On Tuesday, our Wise Owls pupils headed off on their annual residential to Min-Y-Don in Wales. After a very wet, miserable start here in Westhead we did wonder what kind of week we would be having. However, on arrival in Arthog the weather was glorious! The children arrived at the centre around 1.30pm and quickly got themselves settled in their rooms before heading out for some adventurous activities.

Over the course of their stay at Min-Y-Don the children have participated in: canoeing, raft building, high ropes challenge, low ropes course, abseiling and a treasure hunt. We have also been treated to some delicious meals including hot breakfasts and delicious desserts plus hot chocolate before bed. Each evening the children have taken part in some fun games and rounded off with epilogue to see the day out.

Residential trips are always a fantastic experience and the children have all done so well pushing themselves to try new challenges or overcome fears. For some children it is also the first time they have stayed away from home so we are immensely proud of how they have all been throughout the trip. Well done Wise Owls.

Have a wonderful weekend everyone.

Miss Clark
