

**EYFS Long Term Overview** 

#### **Our Curriculum:**

- A curriculum that is challenging, inspiring and engaging; in which all pupils flourish spiritually, creatively and academically to become confident young people.
  - Our EYFS curriculum is inspired by our children's interest and changes to meet their needs/interests throughout the year.
    - We believe in providing an environment where all children have an equal opportunity to learning.
    - Our curriculum is designed to prepare children for the next stage in their personal educational journey.

We deliver our curriculum to our children who feel safe and secure within our environment, so they can have the opportunity to thrive.

Area of Learning	Autumn 1	Autumn 2	Spring 1	Spring 2	Summer 1	Summer 2
Possible Themes/Interests/Li nes of Enquiry	All About Me Autumn Diwali Special Stories	Autumn/Celebrations Nativity Winter	Winter/ Cold Places Arctic (Cold Places) Arctic Animals/Penguins (Habitats) Lunar New Year	Spring/Easter Pancake Day/Lent Easter Planting/Gardening/Spring	Spring/Life Cycles Life cycles – Frog/butterfly/plant Local Area and around the world Minibeasts	Summer/ People Who Help Us Spring/Summer (Comparison) Life cycles continued – Duck Eggs Transitions
(We follow the interests of children throughout the year)			Space			
Books These are just a selection of some of the quality texts we read each half term	Jack and the Beanstalk Goldilocks Variety of Autumn Books	Stickman The Gruffalo's Child Nativity Variety of Christmas books	Lost and Found Bear Hunt Polar Bear, Polar Bear, what do you see? Winter themed books	Mr Wolf's Pancakes What the Ladybird Heard Spring themed books	Variety of life Cycle books e.g. Hungry Caterpillar, Moth The Very Busy Spider	What's the Time Mr Wolf Summer themed books
Communication and Language	Understand how to listen carefully and why listening is important. Engage in story times.	Ask questions to find out more and to check they understand what has been said to them. Develop social phrases Engage in story times.	Articulate their ideas and thoughts in well-formed sentences. Connect one idea or action to another using a range of connectives. Engage in non-fiction books. Listen to and talk about selected non-fiction to develop a deep familiarity with new knowledge and vocabulary.	Describe events in some detail Use talk to help work out problems and organise thinking and activities. Explain how things work and why they might happen.	Listen to and talk about stories to build familiarity and understanding. Engage in non-fiction books. Listen to and talk about selected non-fiction to develop a deep familiarity with new knowledge and vocabulary.	Retell the story once they have developed a deep familiarity with the text; some as exact repetition and some in their own words. Use new vocabulary in different contexts.

o become confident young people. ughout the year. ing. urney.

Expectations for CLL throughout the whole year			e day. To use new vocabulary in differe s, paying attention to how they sound.	ent contexts . To use the listening station in class to lis	sten to music a
PSED	All About Me (My family) Building Relationships (Key Person/New friends)	Celebrations in varied communities and in my home. Online Safety	Healthy Eating Online Safety	Read a variety of texts focusing on how characters feel and why How do I feel? Online Safety	Caring for liv Caring for th Online Safet
PSED throughout the year	• Throughout the year there will also	so be a focus on oral health. We will	practice good brushing using resource	nal needs and their ability to regulate fea throughout the year with information the curriculum and day-to-day life in scho	available to su

	What is a timeline and how have I changed since I was a baby? Talk about members of their immediate family and community. Name and describe people who are familiar to them. Order images into a plausible chronological order. Identify changes between now and as a child.	Which celebrations do we enjoy in our setting? Recognise that people have different beliefs and celebrate special times in different ways. That events/celebrations take place at specific points of the year Recognise some similarities and differences between life in this country and life in other countries.	What do our senses detect? Observe, find out about and identify features in the place they live and the natural world. Recognise some environments that are different to the one in which they live. Show curiosity, observe and manipulate objects e.g. water play, ice cubes, frozen water. Investigate objects and materials by using all the senses. Experiment with textures and materials	How is our world changing? That events/celebrations take place at specific points of the year. Recognise some similarities and differences between life in this country and life in other countries. Compare and contrast what we need to do/wear in response to the passing of time. Explore nature and draw and observe the changes they see. Listen to stories, news and information about natural disasters, climate change and pollution.	Where do we live? Know places in the local community. Understand that some places are special to members of their community. Talk about their own special places Explore the natural world around them. Comment and ask questions about where they live and the natural world. Understand landmarks on the map are permanent. Mark make using their own symbols for their map.	What do we wear at different times of the year and why? Comment on images of familiar situations in the past. Recapping the seasons of the year and developing an understanding of chronology. Compare and contrast characters from stories, including figures from the past.
