St James Westhead

07 February 2020

Hello Abbey and Daisy,

Thank you so much for choosing to support WaterAid, and for raising £13,10 through your charity sale. The money you've raised will make a real difference to those living without access to water, taps and toilets.

Your actions have changed lives!

Thanks to your awesome fundraising, WaterAid is able to reach even more people with water, taps and toilets. Having these things can make a huge difference to people's lives, as it means they have water to drink, cook with and wash with, and somewhere safe and private to go to the loo.

In the picture above, 6 year-old Bryan washes his hands at the new water point in his village in Antanambao, Madagascar. Look how happy he is! Because of fundraisers like you, WaterAid has been able to install water technologies into Bryan's village, meaning that families and schools in Antanambao now have the water they need to live healthier and happier lives.

Thank you again Abbey and Daisy, you are WaterAid heroes!
